- Built a reminder app for Royal Mail postal workers. Allows a real time record of any safety or community issues posted to a database used by a workforce which visits every address daily in the UK. Exponential possibilities. **(MongoDB, Python, CSS, HTML, Flask, Materialize, Heroku)** https://postal-hazards-uk.herokuapp.com
- Developed an Ecommerce site to sell Balinese Jewelry. Includes authentication, cart & payments, blog **(Django, Python, SQLite, Bootstrap, Heroku, Stripe, HTML, CSS)** https://bandy-ecommerce.herokuapp.com
- Created a game based on the 'Simon' device. Digital version of the Hasbro classic. **(HTML, CSS, JS, jQuery, Bootstrap)** https://bandyp.github.io/simon/
- Designed a booking website for a Yorkshire holiday cottage. **(HTML, CSS, Bootstrap)** https://bandyp.github.io/cottage/
- Updated content on multiple websites in hospitality. **(WordPress)**

P R E V I O U S   E X P E R I E N C E

General Manager

Youngs PLC/The Northcote – Clapham Junction/2015 – 2019
Callanan Hotels/ Galway - Ireland/2004 – 2015

After delighting countless customers, creating amazing experiences, breaking records, smashing P&L's and developing teams into champions, I am now influencing in the digital world. (Agile Methodologies, Presenting & Reporting, Coaching & Mentoring, Strategic & Financial planning)
